

## Donations & Ephemera, Macclesfield History Group

We've made efforts to share information about Macclesfield through our 100-page website: <http://macclesfieldhistory.com.au/index.html>. But we have much more!

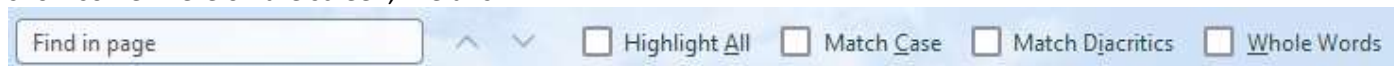

Over the years, we've accumulated numerous items, particularly those collected by Betty White, including trophies, vases, books, and bric-a-brac. While some are showcased at the Macclesfield Institute on walls and in a large bookcase, our space is limited, so the remaining items are stored in locked cabinets or in our compactus.

This document aims to compile a comprehensive list of these items, accompanied by images wherever possible, which will be uploaded to the website as a PDF file that everyone can access.

### A note on searching this .PDF document:

Just looking through this list, whilst entertaining, would take some considerable time. There is a shortcut, if you know what you are specifically looking for, and if you can think of a keyword or two.

**Method:** While the list is showing on the screen press the keyboard keys CTRL and F simultaneously. A box should show somewhere on the screen, like this:

Type in a keyword, like "Macclesfield":

The search CTRL\_F has found 64 instances of the word "Macclesfield" on this webpage, document, etc.

To look at them in sequence click on the  symbol. Saves a lot of time!

---
